

## get your groove on at the grove...

Since opening our original location in 2007 we have strived to make the Grove a place to gather and laugh with friends and loved ones. We took the perfect spot and turned it into our neighborhood hang out.

We created this place for you to kick back and relax. The food is prepared from scratch using organic produce and local vendors when possible and we taste thousands of wines every year to find the best quality and value for you. Our wine philosophy is simple...trust your taste. Don't worry about what the wine critics have to say. If you like it, then it's all good.

Cheers! Beth, Matt and Reed
